Arroz de Pato.....£10.50

(Oven cooked Duck Rice w/Chorizo)

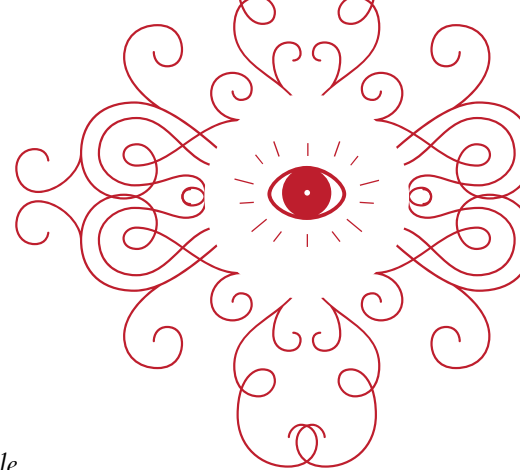

One of Rita’s specialities! The duck is cooked in a broth with chorizo and spices, then the flesh is removed and shredded. The duck stock is then used to make the rice. It’s then layered, normally in a glazed terracotta deep baking tray, garnished with Chourizo slices on top and finished in the oven. This needs a rich strong, full-bodied red to match!

Corpus Douro Reserve Red 2007.....£7.00 / £30.00
